

COVID -19 TCCCL Response to government advice Version 1.0 17/3/20

With immediate effect and in light of government advice to avoid Pubs & clubs the committee of the TCCCL have suspended **ALL** crib matches for a period of up to 8 weeks or until government advice changes.

After which point the committee will determine the best plan of action.

When we can determine a restart date for the league a modified schedule will be issued so we can complete the 2019/20 session.

At this time the committee would also like to advise that due to the current period of uncertainty we will also be cancelling this year's presentation night and this year's comps. Further information will follow at a later date.

We hope you all understand that this action is for your safety and wellbeing.

Keep Safe

Regards

David Stokes on behalf of the TCCCL Committee
